Signed: Away Captain:..... Print Name

Guidelines for Captains and Deputy Captains

The main purpose of assessing Umpires is to improve the standard of those officiating at all levels of cricket. This form is **NOT** to be used as a vehicle for criticising umpires' decisions.

Captains should be objective in their reports and, wherever possible, should consult with their opposing colleague when completing this report form.

It is important, particularly where an Umpire gains a low mark; those comments are added in order that the Umpire may receive further guidance and/or training in those specific areas.

Punctuality at the ground:

The Umpires should be present at the ground at least 45 minutes before the scheduled start of play. Unless bad weather intervenes, the Umpires should ensure that the match starts at the scheduled time.

UMPIRES Appearance:

A man should wear dark trousers (navy or black), white coat, white shirt and clean white footwear. Ties should be worn at all times.

A lady may wear a (navy or black) skirt, or opt for similar dress to the above.

Positioning and Mobility During Match:

The Umpire shall stand where he/she can best see any action on which his decision may be required. He/She should move to maintain suitable positions throughout the match to achieve these aims.

Accuracy and Consistency of Decisions:

Did the Umpire consider each appeal in a thoughtful manner and were his/her decisions consistent throughout the match.

Ability to cope with pressure:

The Umpire should remain calm and confident throughout the match. If there were any incidents that required his/her attention, did he/she respond to these promptly and fully.

Rapport with Teams:

This relates to the manner in which the Umpire communicates with the Captains and players. During a match, the Umpire should not be over-talkative to players from either side. However, this does not mean that communication should be non-existent.

Overall Control of Match:

Were you satisfied with the manner in which the Umpire controlled the match and did you feel that his overall standard was suitable for the level of cricket being played.
