UMPIRES DISCIPLINE REPORT FORM

Description of the Alleged Incident (continued from overleaf)

Procedure

Upon receipt of an Umpire Disciplinary Report, the DCDG Secretary will inform the cited player's Club in writing that a complaint has been made, the details of which are being assessed by the Disciplinary Officer.

The Disciplinary Officer will consider the details of the Report against a set of standards devised to ensure that the allegation is fully compliant, and as a result the following actions may be taken

- The complaint is dismissed and the Club and complainant informed.
- The complaint is formally confirmed to the Club and its record held on file for a period of 12 months from the date of the alleged offence, with no further action being taken at the time.
- The alleged Offender(s) and Club(s) are provided with full details of the Charge(s) together with a copy of the Complaint Report Form and summoned to attend a DCDG Disciplinary Hearing.

If a Disciplinary Hearing is called, the Umpires Disciplinary report will be taken *de facto*, however, both Umpires will be notified of the date, should they choose to attend.
